FINANCIAL STATEMENTS

For the Years Ended December 31, 2017 and 2016

TOGETHER WITH INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Big Brothers Big Sisters of Alaska

We have audited the accompanying financial statements of Big Brothers Big Sisters of Alaska (BBBSAK) (a nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BBBSAK as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

BIG BROTHERS BIG SISTERS OF ALASKA

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2017 and 2016

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization

Big Brothers Big Sisters of Alaska (BBBSAK or the Organization) is a nonprofit community organization dedicated to providing mentoring relationships between children and adults that provide a direct, measurable and lasting impact on children's lives. BBBSAK is affiliated with Big Brothers Big Sisters of America and serves the State of Alaska. A board of directors governs BBBSAK's activities.

Basis of Accounting

The financial statements of BBBSAK have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) 958-205 *Presentation of Financial Statements* and 958-210-45-1 *Other Presentation Matters*. Under FASB ASC 958-210-45-1, BBBSAK is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are net assets that are not subject to donor-imposed stipulations or restrictions. Temporarily restricted net assets represent resources whose use is limited by donor-imposed restrictions that will be met either by actions of the organization or by the passage of time. Permanently restricted net assets represent resources whose use is limited by donor-imposed restrictions that require the net assets to be maintained permanently. Temporarily and permanently restricted net assets are described further in Note 7.

Income Taxes

BBBSAK is a nonprofit organization that is exempt from federal taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. BBBSAK is not classified as a private foundation. The Organization sells pull tabs to help fund its mentoring services, the revenue from which is subject to unrelated business income tax to the extent that revenues are not used for allowable expenditures as required under state gaming regulations. At December 31, 2017 and 2016, BBBSAK recorded tax expense of \$-0- and \$-0-, respectively, on this unrelated business activity.

BBBSAK follows the provisions of FASB ASC 740 *Income Taxes*, and management believes it has appropriate support for any tax positions taken. The Organization's federal income tax returns (Form 990) are subject to possible examination by the Internal Revenue Service until the expiration of the related statute of limitations on those tax returns, which, in general, have a three-year statute of limitations.

Cash and Cash Equivalents

For purposes of the statements of cash flows, BBBSAK considers the balances in its demand deposit and savings accounts, money market funds, prepaid credit cards and petty cash to be cash and cash equivalents. BBBSAK follows the requirements that gaming cash be maintained in a separate bank account.

Restricted Cash and Cash Equivalents and Investments

Restricted cash and cash equivalents and investments are restricted by donors for long-term purposes. Restricted cash and cash equivalents is comprised of Lanie's Fund. Restricted investments are certificates of deposit equal to the permanently restricted Fairbanks endowment. Restrictions are described further in Note 7.

BIG BROTHERS BIG SISTERS OF ALASKA

NOTES TO FINANCIAL STATEMENTS

Investments

BBBSAK carries investments in marketable securities at their fair values in the statements of financial position. The Organization's investments are comprised of available-for-sale securities, in the form of stocks. Donated investments are initially recorded at their fair market value on the date of donation. BBBSAK also has long-term certificates of deposit, valued at cost which approximates fair value. Unrealized gains and losses are included in the change in net assets.

Grants Receivable

Grants receivable are reported net of an allowance for bad debt expense, which is estimated by management based on expected collectability of grants receivable.

Pledges Receivable

Pledges receivable are stated at the pledged value, less a discount and an allowance for uncollectible pledges which is estimated by management based on expected collectability of pledges receivable (see Note 4).

Equipment

Equipment consists primarily of computers and other office equipment. Purchased equipment is carried at cost. Donated equipment is carried at the approximate fair value at the date of donation. Depreciation is calculated by the straight-line method over the useful lives of the assets. BBBSAK capitalizes all expenditures for equipment in excess of \$5,000. Costs for repairs and maintenance are charged to operating expense as incurred; major renewals and betterments are capitalized. All equipment was fully depreciated for the years ended December 31, 2017 and 2016.

Compensated Absences

All permanent employees accrue paid time-off (leave) from their date of hire. Employees are allowed to carry up to 180 hours of unused personal leave at any one time. An employee forfeits unused hours in excess of this amount. The cost of personal leave pay is recognized in the financial statements as it is accrued. Unused personal leave at termination is compensated in the form of a lump sum payment.

Contributions and Promises to Give

Contributions are recorded in the statements of activities when received. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

BBBSAK reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, such as when a stipulated time restriction ends or purpose is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restriction. Contributions that are received and for which donor restrictions expire in the same period are recorded as unrestricted support.

Unconditional promises to give (pledges) are recognized as revenue in the period in which the promises are made, and as assets, decreases in liabilities, or expenses depending upon the form of the benefits to be received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Revenue Recognition – Contracts and Grants

BBBSAK follows the guidance of FASB ASC 958-605, *Revenue Recognition*, to determine whether its federal, state, local, or other grant programs are contributions or exchange transactions for purposes of presentation in the accompanying financial statements.

BIG BROTHERS BIG SISTERS OF ALASKA

NOTES TO FINANCIAL STATEMENTS

Contracts and grants that are unrestricted are recorded as revenue in the statements of activities when earned. Exchange transactions with a grantor or other outside party for a particular purpose are deemed to be earned and reported as revenue when BBBSAK has incurred expenditures in compliance with the specific restrictions. Such amounts received but not yet earned are reported as deferred revenue.

Donated Services and Materials

Donated services are recognized as contributions in accordance with FASB ASC 958-605-25-16, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people possessing those skills, and would otherwise be purchased by BBBSAK.

Contributed materials are recorded as a contribution at estimated fair value on the date of donation and are reported as an increase in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets, if any, donated with explicit restrictions regarding their use are reported as restricted contributions.

Functional Allocation of Expenses

The cost of providing BBBSAK's various programs and other activities has been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited. BBBSAK uses grant costing as its basis for allocating costs among program and administrative categories.

Advertising Costs

Advertising costs are expensed as incurred.

Fair Value Measurement

BBBSAK follows FASB ASC 820 *Fair Value Measurements*, which provides a framework for measuring fair value and requires that an entity determine fair value based on exit price from the principal market for the asset or liability being measured.

Management's Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Recent Accounting Pronouncements

ASU 2016-14

In August 2016, the Financial Accounting Standard Board (FASB) issued ASU No. 2016-14, "*Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*." This ASU makes improvements to the information provided in financial statements and accompanying notes of not-for-profit entities. The amendments set forth the FASB's improvements to net asset classification requirements and the information presented about a not-for-profit entity's liquidity, financial performance, and cash flows. The amendments in ASU 2016-14 are effective for annual financial statements issued for fiscal years beginning after December 15, 2017. The amendment is required to be applied retrospectively and early adoption is permitted. The Organization plans to adopt ASU 2016-14 in its fiscal year ended December 31, 2018. Other than changes in presentation, the Organization does not expect any other impact as a result of adoption.

BIG BROTHERS BIG SISTERS OF ALASKA

NOTES TO FINANCIAL STATEMENTS

ASU 2016-02

In February 2016, the Financial Accounting Standard Board (FASB) issued ASU No. 2016-02, “*Leases (Topic 842)*.” The amendments in this update will supersede much of the existing authoritative guidance for leases. This guidance requires lessees to recognize right-of-use assets and liabilities on their balance sheet for all leases with terms longer than twelve months. The amendments in ASU 2016-02 are effective for fiscal years beginning after December 15, 2019 with early application permitted. The Organization plans to adopt ASU 2016-02 in its fiscal year ended December 31, 2020 and does not anticipate a significant impact as a result of adoption.

ASU 2015-14

In August 2015, the Financial Accounting Standard Board (FASB) issued ASU No. 2015-14, “*Deferral of the Effective Date*” which modified ASU No. 2014-09, “*Revenue from Contracts with Customers (Topic 606)*” which was issued by the FASB in May 2014. These standards replace existing revenue recognition rules with a comprehensive revenue measurement and recognition standard and expanded disclosure requirements. ASU 2015-14 is effective for not-for-profit entities annual reporting periods beginning after December 15, 2018. The amendment is required to be applied retrospectively and all entities can adopt the standard as early as the original effective date annual periods beginning after December 15, 2016. The Organization plans to adopt ASU 2015-14 in its fiscal year ended December 31, 2019 and does not anticipate a significant impact as a result of adoption.

ASU 2016-18

In November 2016, the Financial Accounting Standard Board (FASB) issued ASU No. 2016-18, “*Statement of Cash Flows (Topic 230): Restricted Cash*.” This ASU provides specific guidance on the cash flow classification and presentation of changes in restricted cash and cash equivalents. The amendments require that a statement of cash flows explain the change during the period in the total of cash and cash equivalents and restricted cash and cash equivalents. ASU 2016-18 is effective for not-for-profit entities for financial statements issued for fiscal years beginning after December 15, 2018, and interim periods within fiscal years beginning after 2019. The amendment is required to be applied retrospectively and early adoption is permitted. The Organization plans to adopt ASU 2016-18 in its fiscal year ended December 31, 2019 and does not anticipate a significant impact as a result of adoption.

NOTE 3 – FAIR VALUE MEASUREMENT

FASB ASC 820 *Fair Value Measurements* defines fair value as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. FASB ASC 820 also establishes a three level fair value hierarchy that describes the inputs that are used to measure assets or liabilities. The three levels include Level 1 (quoted prices in active markets for identical assets), Level 2 (significant other observable inputs), and Level 3 (significant unobservable inputs). BBBSAK uses Level 1 inputs to measure the fair value of assets on a recurring basis.

There were no assets measured at fair value at December 31, 2017. Fair values of assets measured on a recurring basis at December 31, 2016 are as follows:

	<u>Level 1</u>	<u>Total</u>
Stocks	\$ 8,410	\$ 8,410
Total investments measured at fair value	<u>\$ 8,410</u>	8,410
Certificates of deposit measured at cost which approximates fair value		<u>1,170</u>
Total		<u>\$ 9,580</u>

Contributions of goods are valued at market rates that are generally provided by the donor. In fiscal years 2017 and 2016 in-kind contributions of \$49,363 and \$54,530, respectively, were recognized as revenue and expense.

Many individuals volunteer their time and perform a variety of tasks that assist BBBSAK with specific assistance programs, campaign solicitations, and various committee assignments. The majority of BBBSAK’s volunteers serve as mentors, and in fiscal years 2017 and 2016 mentors donated approximately 53,984 and 56,880 hours of their time, respectively. These donated services are not recognized as contributions in the financial statements because the recognition criteria under FASB ASC 958-605-25-16 have not been met.

NOTE 9 – RELATED PARTY TRANSACTIONS

In 1998, individuals involved with Big Brothers Big Sisters of Anchorage, Inc. (BBBSA) created For the Kids Foundation, Inc. (the Foundation) to serve as a fundraising support organization to BBBSA. On August 1, 2007 the Alaskan Big Brothers Big Sisters entities merged and BBBSA is now part of BBBSAK. The Foundation’s enabling documents provide that it contribute its operating cash flow, net of expenses, capital and debt service outlays and a reasonable provision of reserves to BBBSA prior to the merger and to BBBSAK subsequent to the merger. The CEO of BBBSAK is the CEO of the Foundation, and the Foundation is governed by a board of directors independent of BBBSAK. The Foundation’s board of directors monitors contributions to BBBSAK.

For the years ended December 31, 2017 and 2016 BBBSAK received \$202,500 and \$200,000 from the Foundation, respectively. BBBSAK provides administrative support to the Foundation for a fee equal to BBBSAK’s cost. The amounts received from the Foundation consist of \$193,555 and \$190,637 in contributions, and \$8,945 and \$9,363 in administrative expenses, for the years ended December 31, 2017 and 2016, respectively.

NOTE 10 – LEASES

Operating Leases

BBBSAK conducts its administrative operations from a leased facility. Lease payments for this facility were \$3,611 per month in fiscal year 2017. The Organization also has several month-to-month leases, and leases that renew annually, for the rental of office space at its various locations throughout Alaska. Lease expense for all of BBBSAK’s locations totaled \$105,189 and \$111,327 for the years ended December 31, 2017 and 2016, respectively. The following is a schedule of future minimum lease payments under operating leases at December 31, 2017:

BIG BROTHERS BIG SISTERS OF ALASKA

Year Ending December 31:		
2018	\$	23,422
2019		<u>8,550</u>
	\$	<u>31,972</u>

In addition to its office leases, BBBSAK also has leases for its copiers.

NOTE 11 – CONCENTRATIONS

Government Grant Revenue

BBBSAK receives a substantial amount of its support from federal and state grants. If a significant reduction in the level of this support were to occur, it may have an adverse effect on BBBSAK's programs and activities.

For the Kids Foundation

In 2017 and 2016, BBBSAK received 12.64% and 10.4%, respectively, of its revenues and public support, excluding in-kind, from the Foundation. The Foundation's income is derived primarily from its pickup service in which it collects donated items and re-sells them to a retail thrift store operator. Under the terms of the Foundation's annual contract for resale of donated goods, the Foundation is precluded from selling to other buyers.

Promises to Give Receivable (Pledges)

Financial instruments that potentially subject BBBSAK to concentrations of credit risk consist principally of promises to give receivable. Concentration of credit risk with respect to promises to give receivable is limited due to the large number of contributors comprising BBBSAK's contributor base and their dispersion across different industries. As of December 31, 2017 and 2016, BBBSAK had net promises to give receivable of \$15,132 and \$60,895, respectively. If these amounts become uncollectible it would have a negative impact on BBBSAK's operations.

NOTE 12 – COMMITMENTS AND CONTINGENCIES

Grant Revenue and Receivables

Amounts received or receivable under grant programs from the federal government or State of Alaska are subject to audit and adjustment. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time, although BBBSAK expects such amounts, if any, to be immaterial.

Fundraising Revenue

In 2017 BBBSAK received sponsorship revenue for its 2018 Bowl For Kids' Sake fundraiser. The Organization does not expect to cancel the fundraiser; however, if this were to occur, BBBSAK may be required to return the sponsorship revenue.

Gaming Revenue

BBBSAK receives gaming revenue that must be used for specific purposes to not be considered taxable income. The Organization has used all of its gaming revenue for an allowable purpose and the amount, if any, considered to be taxable is expected to be immaterial.
